Re WT Docket No. 02-55
Ex Parte Presentation

Dear Ms. Dortch:

On Thursday, April 8, 2004, Lawrence Krevor, Vice President – Government Affairs, Nextel Communications, Inc. (“Nextel”), and I met with David Furth, Associate Bureau Chief, Wireless Telecommunications Bureau, and Aaron Goldberger, Legal Advisor, WTB, regarding the Commission’s above-captioned rulemaking on public safety communications in the 800 MHz band. During the meeting, Nextel’s representatives and Commission staff discussed the Commission’s legal authority to adopt a comprehensive solution to the serious nationwide problem of CMRS – public safety interference in the 800 MHz band. Nextel’s presentation was consistent with its prior written submissions in this proceeding.

Pursuant to section 1.1206(b)(2) of the Commission’s rules, 47 C.F.R. § 1.1206(b)(2), this letter is being filed electronically for inclusion in the public record of the above-referenced proceeding

Sincerely,

Regina M. Keeney
